## WHO WE ARE?

The **“Children and Youth National Center”** is a legal entity of public law established under the Ministry of Education, Science, Culture and Sports of Georgia. The Center was established in 2007 with a view to facilitating the implementation of state youth policy through services tailored to the needs of Georgian children and youth in the age range of 0-29. To support the fulfilment of the economic, social and cultural rights of the children and youth, CYNC actively supports and implements educational, recreational, sport and cultural activities.

Center was established with the mission, of creation of relevant conditions for the formation and development of youth’s intellectual, personal, professional and physical potential, development of international co-operation on issues regarding children and youth. Center aims: Promotion of non-formal education, Increase of the vulnerable group involvement in civic activities, Promotion of healthy lifestyle among children and youth and etc.

Since 2011, CYNC has hosted in sum, camps have hosted around 30 000 youngsters. CYNC is in charge of the implementation of the camps fully.

CYNC organizes, coordinates, promotes, encourages and provides non-formal education, inclusion, healthy lifestyle, employability, participation, volunteering, research and policy in the field of youth. CYNC runs annually Youth Festival, which includes diverse programs, projects and activities covering all regions of the country.

## ABOUT THE PROJECT

LEPL “Children and Youth National Center” is pleased to announce the Call for European School Summer Camp 2019 in Georgia. The project is supported by the European Union and is the part of the initiative establishing the Eastern Partnership European School in Georgia.

This year, Young people from the EU and its’ six Eastern Partnership countries (Armenia, Azerbaijan, Belarus, Georgia, the Republic of Moldova and Ukraine) are invited to apply for the European School Summer Camp 2019, which will take place in Georgia from 16-30 August (15 Days), 2019. Participants should be aged between 14 and 18 at the time of applying for the project.

The Summer Camp will gather up to 100 young people to participate in various educational and interactive activities. These activities will aim to highlight European civil values and foster co-operation, multi-cultural understanding and tolerance among young people in the EU and Eastern Partnership countries. CYNC, under the same programme, already held two camps in 2017 and 2018 which hosted 180 international students in Georgia. To view more information about previous camps please go here Photos: <https://goo.gl/9Qp2up>; Video of the previous camps: <https://goo.gl/Tg49fR>; <https://goo.gl/Mk5MrR>; <https://goo.gl/oYkKQg>;

The camp will serve as a preparatory phase for potential students of the Eastern Partnership European School and for other interested young people.

The establishment of the Eastern Partnership European School is part of the broader regional effort to address the needs of youth, focusing on secondary education. It is a flagship project of the Commission in the Eastern Neighbourhood region and one of the Eastern Partnership’s “20 Deliverables for 2020”.

## SPECIFIC OBJECTIVES AND EXPECTED OUTCOMES OF THE PROJECT

The main objective of “European School Summer Camp 2019 in Georgia” is to support and prepare peer educators with common European civil values and to foster co-operation, multi-cultural understanding and tolerance among young people in the Eastern Partnership region.

- a) Establish non-formal space to increase the occurrences of cross-national dialogue;
- b) Support Participants to expand will expand their network by using the created online platform;
- c) Implement 6-8 effective training modules;
- d) Each Participant country will develop a youth led follow up project that will promote civic education;
- e) Participants will improve their personal and professional skills in 6 out of 8 lifelong competences in context of EU Values;
- f) Each of the 6 - 8 learning modules will have one project created by participant group;
- g) The camp will include information/orientation session on the programme of the Eastern Partnership European School

## **CYNC expects to achieve the following outcomes after the camp**

- Gain experience, skills, and connections
- Establish Network with a dynamic group of experts and mentors
- Expand your professional network and develop relationships with peers and counterparts
- Develop your personal and professional skills in 6 out of key competencies for lifelong learning
- Have fun and engage in extracurricular activities with your peers

*European School  
Summer Camp 2019 in Georgia*

## METHODOLOGY

The European Union supports the creation of friendly environments for young people with different cultural backgrounds to participate in civic activities, share cultural knowledge, and promote multi-cultural understanding and tolerance.

The camp will offer participants practical as well as theoretical sessions in different fields of youth work that are based on the techniques of non-formal education. Within the program, participants will become peer educators and will be able to share practices of youth activism in their own countries. At the end of the Camp, participants will prepare project proposals that will be implemented in their countries as post camp activities.

The European School Summer Camp 2019 will last for 15 days in 2019 and will host 100 youngsters. Throughout the project, participants will be able to develop key competencies for lifelong learning.

Methodology of learning process is based on non-formal education principles, including discussions, presentations, group works, role plays, simulations, interactions, etc. Each day of the camp includes practical workshops and sessions.

During the day, campers will be engaged in Educational, Sports, and Cultural activities.

The camp will cover teaching modules for 6 out of 8 lifelong learning key competences of Action Plan Program, established under Erasmus+, such are: Communicating in a foreign language, Digital competence, Learning to learn, Social and civic competences, Sense of initiative and entrepreneurship, Cultural awareness and expression.
